Concept

First of all, Mundo-B is a concept : a low-energy building, renovated on an ecological basis, hosting about 30 organisations that work in sustainable development and environmental issues .

Fed up of working from home or from hotels and cafes when in Brussels ?

Join the heart of social and environmental activism in the European capital and benefit from a fully furnished workstation.

Packages from **21€**/month incl. VAT.

The Hive

The Hive Brussels has been set up within the centre to support organisations who want to have a presence in Brussels on a temporary or regular basis. It offers NGOs a ready-to-work workstation in a shared office space and access to all the communal facilities in the centre.

Your equipment

- Fully furnished workstation
- Internet access
- Your own phone line and direct dial number
- Office storage
- Network printing

At your disposal

- 8 meeting & 1 training rooms
- A conference room
- An organic cafeteria
- Reception and building services
- And much more

Your opportunities

- A professional spot where to work, lobby and interact
- Networking events to get in touch with fellow organizations
- Incredible flexibility

Rent an office in the Hive and get involved in the Mundo-B community : 45 social change and sustainable development NGOs
